#### **SUMMARY SHEET**

#### I. Description of Item

Resolution is a housekeeping matter to reallocate approved grant budget into current county budget period to allow full expenditure. Specifically it authorizes the Shelby County Division of Corrections to increase the County's FY10 budget to allow expenditure of grant funds unspent at the end of our FY09. The county received a federal grant that is on a federal fiscal year basis (September 29 to September 28) and crossed our fiscal years. The original estimate of spending in FY09 was too high and thus funds were unspent that can be spent in the July 2009 to September 2009 part of our FY10. The Division of Corrections has expenditures that may properly be charged to this grant if adequate county approved budget is in place in the county's accounting system and a resolution is required to accomplish fixing the county's grant budgets. The grant is from the U S Department of Health and Human Services to provide fatherhood and family bonding programs to male inmates as the Fatherhood Priority # 5 program.

- A. Amount Expended/Budget Line Item amended grant budget with federal dollars of \$88,534.00 in Fund 511 and Org 350107. A 10% match is provided from the Corrections Fund.
- B. All Costs (Direct/Indirect) The grant budget funds 100% of the program related activities.
- C. Additional or Subsequent Obligations or Expenses of Shelby County –There is no obligation to continue this grant beyond its expiration.
